Subject: Permit Deficiencies, Feller Enterprises, Hurricane Sandstone, S/053/077,  
Washington County, Utah

Dear Mr. Feller:

On July 5, 2005 the Division sent you a deficiency letter pertaining to your Hurricane Sandstone Quarry located in Section 22, T43S, R13W SLBM, Washington County, Utah. This letter informed you that the information you furnished in your application did not meet the requirements of R647-3 of the Utah Mined Land Reclamation Act.

To date you have not responded to this notice and have continued to mine without an approved permit. We have been informed by the BLM that you have expanded your quarry considerably since our initial contact with you. If you continue to mine without an approved permit, the Division will take enforcement action that could include fines and a cessation order stopping all mining activity at the site.

Please provide the requested information within 15 days or by October 6, 2005. If this information is not received by this date, the Division will consider that you are operating without a valid permit and enforcement action will be taken.

If you have any questions, please contact me at (801) 538-5325 or Doug Jensen at (801) 538-5382

Sincerely,

Daron Haddock  
Permit Supervisor  
Minerals Regulatory Program
